About Complete Home Outfits

Few stores anywhere are so thoroughly well organized as we are to furnish your home completely from top to bottom.

No matter how much or how little money you intend putting into your furnishings, you are certain to find the widest range to select from and you will get intelligent co-operation in the planning of your various rooms.

Even the most modest home can be artistically, tastefully and comfortably furnished. It isn't a question of dollars, it's rather a matter of good judgment, experience, and then there must be stock to select from.

A small apartment can be made most attractive at a very little cost, and in the furnishing of a more pretentious home, our experts are prepared to assist you in determining upon the periods most adaptable to your interior decorations, with due regard for color schemes, room contours, lights and shadows.

The tremendous volume of our business brings our merchandise at a substantial saving over what ordinary stores must pay at the factory. Likewise this large business cuts down our cost of operation and enables us to sell our goods at a very low price. At times it amounts to hundreds of dollars on a complete outfit.

It is hard for many people to understand what fine furniture we sell without seeing it for themselves. The reason we can sell at such low prices is obvious.

1. We own our own buildings. We don't have to pay high down-town rents.

2. We don't go in for a lot of extravagant, high-priced help. We let the goods and prices sell themselves.

3. We are satisfied with low profit because we want to hold up the biggest furniture business in St. Louis.

Terms of Payment
Our prices are just the same, whether you pay cash or on terms. We give you a 10% discount on cash payment. That is, a small amount down at time of purchase, and the balance in monthly installments, as you can best spare the money.

We are featuring this week the special Salina and Solitaires' complete outfit for three rooms at \$250.00.
